TREASURES FROM OUR TRADITION

Most Christians today receive a bunch of palm fronds, olive branches, pussy willow, or forsythia (a relative of the olive) to carry in procession and to bear home in blessing. Some even offer sprigs of palm or other branches as a gesture of peace to those they have offended. The desire is to make a clean sweep of your spiritual house before the Easter feast.

Accepting the branch is a token of the bearer's willingness to journey with the Church through a grateful remembrance of Jesus Christ's passion, death, and life-giving resurrection. Traditionally, the plants associated with today's feast are planted in cemeteries as a sign of Christ's victory over death and the promise of new life.

The joy of this day's opening procession soon gives way to a solemn reading of the Passion, this year according to Matthew. The ritual is meant not only to strengthen us to hear this account, but to stir us up to accompany the Church on this journey through Holy Week. It also prepares us for next Sunday's joyful renewal of our baptismal vows.
We pray that we will follow Jesus faithfully all the days of our life, recognizing him as the one who continues to come in the name of the Father.

“We need to avoid the spiritual sickness of a church that is wrapped up in its own world: when a church becomes like this, it grows sick. It is true that going out to the streets implies the risk of accidents happening, as they would to any ordinary man or woman. But if the church stays wrapped up in itself, it will age. And if I had to choose between a wounded church that goes out to the streets and a sick, withdrawn church, I would definitely choose the first one.”
