L.A.M.S. 2018

For the past 35 years volunteers of L.A.M.S. Mission agency has devoted itself in helping the people in developing countries by bringing medical and other supplies and assisting in any way possible. If anyone is interested in helping L. A. M. S. they may do so by contributions of supplies, such as baby aspirins, bandages, vitamins (children's & adult's). Monetary donations are also accepted to help purchase supplies and defer the expense of transporting them to the mission. The reason we hand carry supplies is because we make sure it gets to the people who need it.

Our trip to Haiti this year is planned for Thursday June 14. If anyone is interested in having a Third World mission experience, please contact me as soon as possible.

I can be reached at 337 581 4405, or
P. O. Box 565, Rayne La 70578.

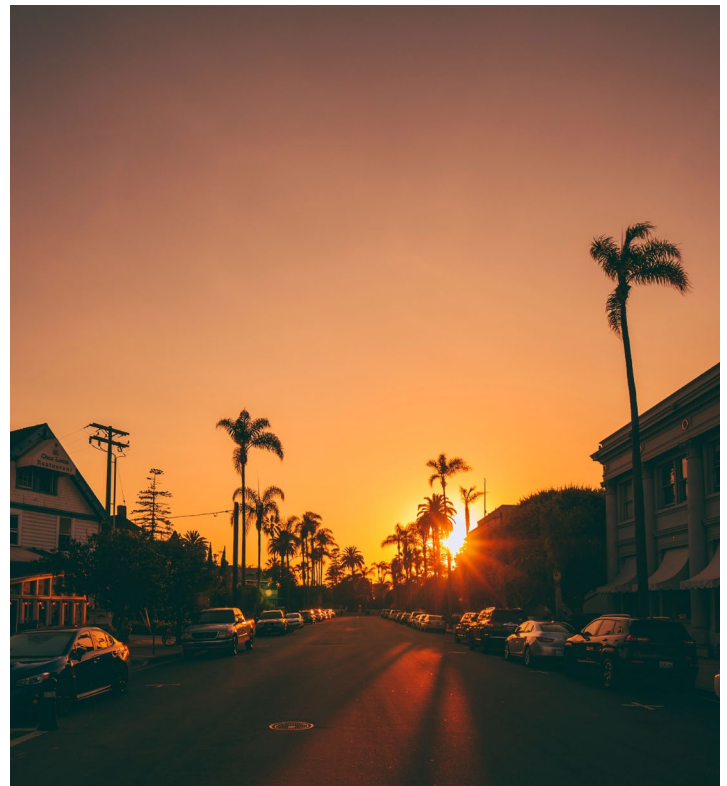

Thank you and May God Bless You.

Dear Youth, Love Core

When you Don't Totally Mean What you Pray... (Part 1 of 4)

What happens when we don't fully understand the words we say when we pray?

Sometimes the words seem empty to us. You know what I am talking about: that point in Mass when you're saying the Creed and hit that "consubstantial with the Father" part and realize you don't even know what that means! So, should you even be saying it at all?

I am a revert to the faith, so I didn't really begin to pray until I was in my mid-twenties. At that time, all I knew about God and Jesus was what I was taught back in First Communion class. And since I hadn't practiced my faith since then, I developed a lot of bad habits (to say the least), and acquired plenty of misconceptions about God and man. I came face to face with these same doubts and struggles as the Lord was slowly getting a grip on me and bringing me closer to Him. I started going to Mass and Confession. I was receiving the Eucharist. And still, these doubts and struggles persisted.

What I came to find out later was that this is the normal way of growth in faith and love. In other words, those doubts and fears you may be experiencing as you pray are perfectly normal bumps along the narrow way. So I tell you, relax and...
